LIVE THE LITURGY - INSPIRATION FOR THE WEEK

We all have had the experience of walking into a dark room and searching for the light switch. If we are really unfamiliar with the space, anxiety, uncertainty, disorientation, and even fear can easily arise. Once we find the light, all is illuminated and we are at peace. Our light has come into the world! The glory of God has been revealed! Today's feast of the Epiphany teaches us to look to our Savior, Jesus Christ, for the way to truly be the human beings we were created to be. He shows us how to prioritize our lives, order our relationships, care for creation, and live as daughters and sons of God. God's love and creative power is universal, transcending all races and nations. Jesus brings the light of peace to a broken world that still struggles to understand itself and to you and I who also struggle to understand who we are. May we find ourselves overjoyed that we have found our truth and allow Jesus to bring light to the darkness of our lives!
