LIVE THE LITURGY - INSPIRATION FOR THE WEEK

No one wants to listen to a prophet, especially when the prophet is someone close to us. We have a hard time accepting that ordinary associations can develop the type and depth of wisdom that can not only positively change lives but profoundly challenge them. To many folks, Jesus was simply the son of Joseph, even though his words caught their attention and amazed them. After his words sunk in, they were infuriated and drove him out of town. Is Jesus simply the son of Joseph to us as well, or is he the God who knew us before we were formed in the womb? If he is God, then we need to heed his message and change our lives accordingly.
