LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Have you ever felt a compelling urge to respond to a situation and then found yourself questioning whether you should do so? Fear often takes hold of us, and we find ourselves making excuses for why it is better to just mind our own business. There is a voice within each of us that is saying, "Follow me". What does this prompting mean? The purpose of discipleship is not to secure our own station in life and enhance our comfort zone. Discipleship is about taking risks and venturing forth into the unknown, tending to the needs of others and being prophetic voices of change. We will not drink deeply of life until we listen to the voice of God within. When God asks, "Whom shall I send?", will you reply, "Here I am, send me!"?
