LIVE THE LITURGY - INSPIRATION FOR THE WEEK

We never marginalize or turn our backs on those who suffer violence, oppression from unjust systems, poverty, illness, or disease. Jesus never turned anyone away, but always extended a hand of healing and compassion. He would insist on extending God's merciful and unconditional love to all, even if it meant breaking the Sabbath or civil law. Does the way we treat others, especially those who are different than us, reflect the freedom, joy, love, and good news of the Gospel?

LENT SACRIFICE:

This year our Lent Sacrifice is for the benefit of:

Elevate, Inc., N169W21005 Meadow Lane, Jackson

Elevate works every day to prevent addictions to drugs and alcohol from starting, to intervene early when these substances lead folks astray and to support family members and friends struggling with a loved one's addictive behaviors.

This past year alone, Elevate staff:

- Taught more than 3000 Washington County kids about the dangers of alcohol and drug use.
- Worked with almost 600 kids who made bad choices related to alcohol and other drugs and/or participated in other delinquent behavior.
- Provided support for 592 individuals through our Substance Abuse Family Education and Support Group
- Launched the Opiate Treatment and Diversion Program to provide a strong support system, proper treatment, and coordination of services across multiple systems, to adult residents of Washington County with a pending charge for possession of narcotic drugs.
- Worked with community leaders in an effort to put an end to the heroin crisis in Washington County and beyond.

Family Promise-Karl's Place Meal Program

Karl's Place, the new emergency shelter is opening in Washington County. Homelessness has become an ever-increasing concern locally since the great recession. Family Promise is a local organization whose mission is to help homeless and low-income families. In 2017, Family Promise answered 1,200 calls from families at risk of homelessness and helped more than 100 households through the shelter and housing programs. Recently Family Promise expanded their mission to develop an emergency shelter for single men and women who are homeless. This multi-purpose facility will have 14 shelter beds and four one-bedroom apartments to help those most at risk in our community. The singles shelter will address this dangerous gap, bringing together shelter, meals, basic health services, and quality case management for individuals at risk of homelessness in Washington County. We need your help! Karl's Place is scheduled to open in the next few months and we are reaching out to the community to ask for support.

Please consider giving up a meal or two and donating to these worthy causes.
