LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Getting ahead in the world is something many see as important. Success, a comfortable life, and worldly securities are seen as what is needed to achieve happiness. Whether or not we like to admit it, these pursuits are operative in many of our lives. As much as we want to believe in the Gospel, we also find it hard not to cling to these other things. Unconditional trust in God must be first if we are going to perceive the kingdom of God. And while God does not want us to go out of our way to be miserable, Jesus clearly gives preference to those who are poor, hungry, weeping, marginalized, vulnerable, and despised. When people encounter these things, they touch God. It teaches us not to get too comfortable with our riches and that there is much more to true life than the stuff we find so important.
