LIVE THE LITURGY - INSPIRATION FOR THE WEEK

How seriously do we take the Ten Commandments? Many today adopt a free spirit approach to life and resist conforming their thoughts and actions to established guidelines and principles. We all need direction. Those who travel realize how much easier journeys can be when equipped with the proper directions. The Ten Commandments are God's proper directions for us to assist us in living our lives as his children. We are given the example of Jesus, the living temple. Jesus allows us to share in his intimate relationship with his Father so that we can more quickly find our way to him. Guidelines and structure are important. Lent reminds us we are created in a certain way and are meant to live our lives in God.
