LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Jesus compares the Kingdom of God to a mustard seed, the tiniest of seeds. When planted, the tiny mustard seed grows into a tremendous tree with large branches. So, too, in each of our lives, small things can have profound effects. God can use one of our more insignificant gestures to radically change another person's life. It may be the kindness of a smile, our willingness to accommodate someone, listening to someone's story, helping someone who is hurting, standing up for someone who is right, or complimenting someone on something they did. We all have God-given gifts and talents. Our task is to use them creatively, consistently, lovingly, and generously. We trust that God will take care of the rest.
