## LIVE THE LITURGY INSPIRATION FOR THE WEEK

Today we are presented with the parable of the weeds and the wheat. We struggle with the imperfection that exists in our world. This imperfection shows itself in human sinfulness with its consequences--disease, natural disasters, suffering, and even death. We wonder why God did not simply make everything perfect right from the beginning so that harmony, peace, and tranquility would be the norm. God builds free will into us and into our world so that we can learn to freely love him. Anything less than this would not provide the freedom to choose to acknowledge and develop our relationship with our Creator. For now, the weeds and the wheat must coexist. Our faith teaches us that we live and walk in hope that when the harvest comes only the wheat of God's love will remain.
